Laurie Jacobson was the primary reviewer of your disclosure.

The signature on the disclosure certifies under oath that the information describing hazardous waste composition, quantities, and management practices is accurate. You are obligated to handle your wastes as described in the approved disclosure. The approval is subject to the following conditions:

1. If Irathane Systems, Inc. (13th Avenue East) begins to generate a new hazardous waste, a management plan shall be submitted to the MPCA within 75 days after first producing the waste. The new waste shall not be treated, disposed of, nor change possession until at least 15 days after the new management plan is submitted to the MPCA. (This is required by Minnesota Rules Part 7045.0240, subpart 2.)
2. If the chemical constituents of any of the wastes listed above change, the MPCA must be notified. Call or write the Disclosure Unit.

Additionally, if volume, registered transporter or facility, or method of disposal change, contact the Disclosure Unit and note the change on your annual report.

3. Annual reports, required by Minnesota Rules Part 7045.0296, are due by March 1 of each year. This report must describe hazardous waste generation, handling, and disposal activity for the preceding year. The next annual report from Irathane Systems, Inc. (13th Avenue East) will be due March 1, 1986. Forms will be supplied by the MPCA after January 1.
4. Irathane Systems, Inc. (13th Avenue East) EPA identification number, MND022818306, must be used on all hazardous waste labels and on shipping papers when shipment is made to an off-site facility. (Labeling and shipping paper requirements are described in Minnesota Rules Part 7045.070, subpart 5, and Part 7045.0261, subpart 7). As of September 20, 1984 the federal Environmental Protection Agency is requiring the use of a Uniform National Manifest. All manifests should be sent to the MPCA at:

Minnesota Pollution Control Agency
Solid and Hazardous Waste Division
1935 West County Road B2
Roseville, Minnesota 55113-2785

5. The MPCA reviews and comments upon the hazardous waste disclosure and management plans solely for the purpose of determining whether there is a reasonable assurance that Irathane Systems, Inc. (13th Avenue East) is managing its hazardous wastes in accordance with MPCA rules. In issuing this approval, the State and the MPCA assume no responsibility for any damages to persons, property, or the environment which may be caused by the hazardous waste generated by Irathane Systems, Inc. (13th Avenue East), regardless of whether the waste is managed in accordance with the approved management plan.

If you have any questions regarding this approval, need any forms, generate new wastes, change handling practices, or have any other questions or requests regarding hazardous waste generation, please call Laurie Jacobson of my staff at 612/296-7738.

Sincerely,

Original Signed
